GRADE REPLACEMENT

Repeated courses are generally indicated via an I (include) or an E (exclude) in the repeat column – the R to the far right of the grade of each course. An I indicated the course was included for credit while the E indicates the course has been excluded and those hours are not calculated into earned or gpa hours.

COURSE NUMBERING

Each course has an alpha-numeric code (e.g. ENGL1301). The alpha portion indicates the subject area, while the numeric portion provides information about the course. Each number contains three or more digits. The first digit indicates the level of the course: 1, freshman level; 2, sophomore level; 3, junior level; 4, senior level; 5, graduate; and 6, doctoral. The second digit indicates the number of semester hour's credit. The third and fourth digits are sequencing numbers.

SENATE BILL 1231 (SIX DROP RULE)

This bill will affect any student enrolled as a first-time freshman at Lamar University and all other public Texas universities and colleges, beginning in the fall 2007 semester. The new rules prohibit these students from dropping more than six courses during an undergraduate career. A grade of "QL" at Lamar University will designate these drops. A statement at the end of the transcript will denote the total number of drops applied under this rule. A student will only be allowed to drop more than six courses if he or she can show "good cause" for dropping more than that number.

ACADEMIC STANDING

Honorable dismissal unless otherwise stated.
